

Student Insight Questions

The online Sea|mester application has 3 text fields that are used for your student insight questions. Depending on your browser, you may be able to paste pre-prepared answers into the fields. In some instances, pasting into an online form can lead to formatting problems. Please take the time before you submit your essay to proof read your submission.

In this section we'll ask you to briefly address the following in short answer form.

- 1) What other study abroad/gap experiences did you look at and why do you feel Sea|mester is the best fit for you?
- 2) What part of a Sea|mester voyage do you foresee as being the most challenging for you?
- 3) What do you most want to get out of your Sea|mester experience?
